

Independent College Fund
of Maryland

The 2010 Evening *of* Excellence

Annual Leadership Dinner

 EVENING OF
Excellence 

Celebrating 57 Years of Leadership,
Value & Distinction

Since 1953, the Independent College Fund of Maryland (the I-Fund) has provided the private sector a vehicle for investing in the quality of independent higher education.

- ◆ I-Fund member colleges and universities are not only vehicles of a great tradition but also centers of learning that reflect the ever-changing needs of our economic and cultural lives
- ◆ 70 percent of tomorrow's corporate leaders are being trained in independent colleges today
- ◆ Employers appreciate the critical thinking and problem solving skills that are the result of an independent college education
- ◆ Our corporate/collegiate partnerships generate benefits for corporate investors, the institutions of higher education and the overall good of Maryland's future

Each year the I-Fund commemorates these partnerships with an "Evening of Excellence" recognizing individuals and organizations who have supported higher education through contributions to the I-Fund.

The annual Leadership Award honors an organization that exemplifies the values of independent liberal arts education and whose activities in the community demonstrates a commitment to higher education.
